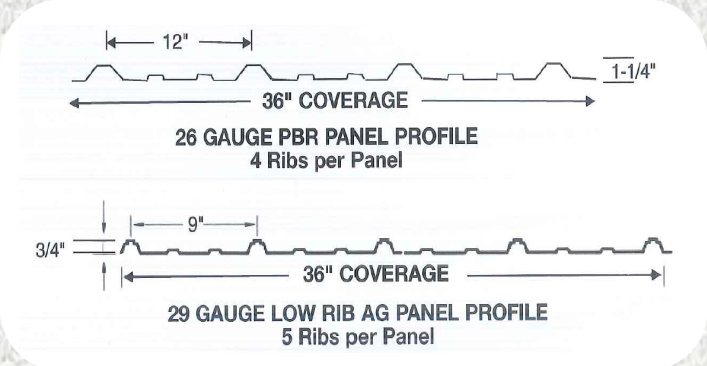
For all your storage needs

North Plains Panels

Manufacturer of 26 Ga. & 29 Ga. Panels and Trim

Self Drillers, Lap Teks & Wood Grips Available.



- **26 Gauge panels are an excellent choice for any commercial project. This panel is great on any structure, wood or steel.**
- **29 Gauge panels are an excellent choice for any residential project and has the very similar performance characteristics of the PBR panel.**

InsulGreen Insulation

- **Available in 2'', 3'', 4''(double 2'') Insulgreen Insulation has foil facing on both sides with a shiplap. It is attractive on the wall and/or ceiling, while kicking up the 'Performance' due to the reflectivity.**
- **InsulGreen in your building slows down heat transfer, keeping your building cooler in the summer and warmer in the winter.**

Drip Stop for Condensation Control in Non-Insulated Buildings. Hassle Free ~ Drip Stop is already attached to the roof panels so no extra installation steps.

Hardsteel Buildings Accessories
